

HELPING OUR IMMIGRANT FRIENDS WITH ACCOMPANIMENT

Exodus 22:21
"You shall not wrong a
stranger or oppress him,
for you were strangers in
the land of Egypt."

**The First Church of Christ, Congregational and
St. Stephen's Episcopal Church in East Haddam
will host accompaniment training as part
of the new Sanctuary's Accompaniment Program.**

Join us as we answer questions and dispel myths about immigration in the United States while also learning about accompaniment. Accompaniment is a program that matches immigrants with volunteers who accompany them to hearings and periodic check-ins with Immigration and Customs Enforcement (ICE). Through the Accompaniment Program, you can stand in solidarity with our immigrant neighbors while ensuring their rights are upheld.

This training will be held at St. Stephen's Episcopal Church at 31 Main Street, East Haddam, CT and is FREE and open to the public. A good will offering to cover costs of training materials and marketing will be appreciated.

Space is limited and people are asked to pre-register at
